

Manage your entire team - all in **one platform**.

Emails. Text messages. Phone calls. Hours spent staring at a spreadsheet. **Managing teams should never be this hard.** You don't have to flip between different tools to put together an A-class team. Centralize your workflow in one platform and start planning the right people to your gigs in mere minutes with Rentman.

NO NEED FOR TOOLS LIKE

The Problem

Putting a team together for a gig, event or production can always be a struggle when you don't have the right tools to help you.

85%

Poor Communication

85% of crew planners struggle to communicate effectively with their team.

70%

Chaotic Planning

70% of staffing companies use anywhere from 3-5 different tools to figure out who's available for a job.

4/5

No Shows

4/5 event staffers deal with last-minute no-shows because they missed an important cancellation message from their team.

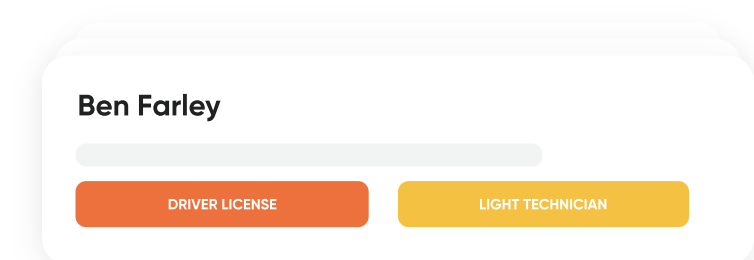

Key Features

With Rentman, you have one central place where you can quickly access the information you need to book the right people to jobs and handle last-minute changes with ease.

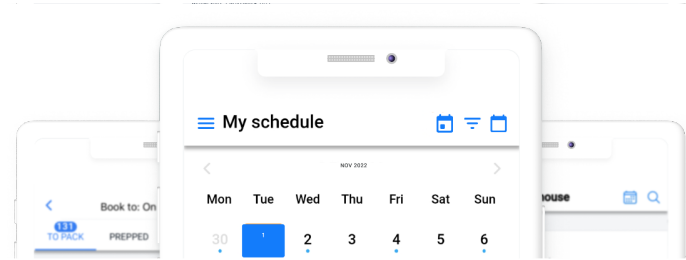

Product (From €9 Power user / month)

Crew Scheduling

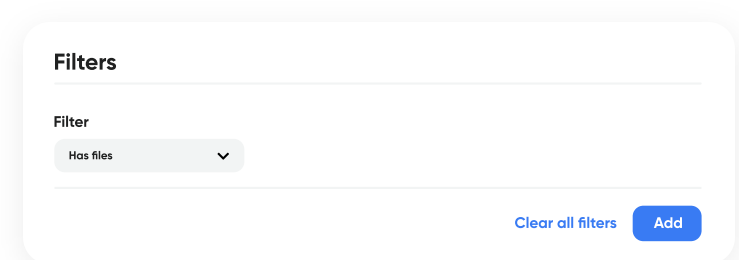

Crew Database

Store important information about all your team members in one cloud-based platform.

Crew Mobile App

Share details about your event with your team and keep in touch with them on the go.

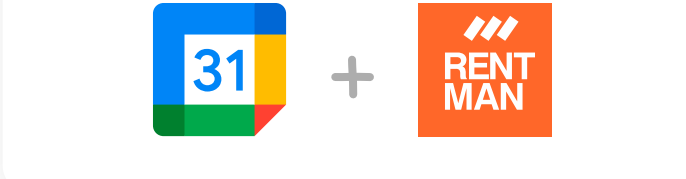

Custom Tags & Filters

Tag your team members based on their skills, qualification, and more to quickly sort through them and see who's the right fit for a job.

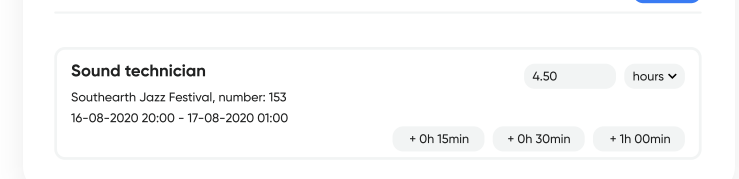

Job Invitations

Invite your team members to jobs or simply use our Job Board to have them sign up to open gigs themselves.

Calendar Integrations

Keep track of both your personal and work schedule in one place by connecting Rentman to your calendar.

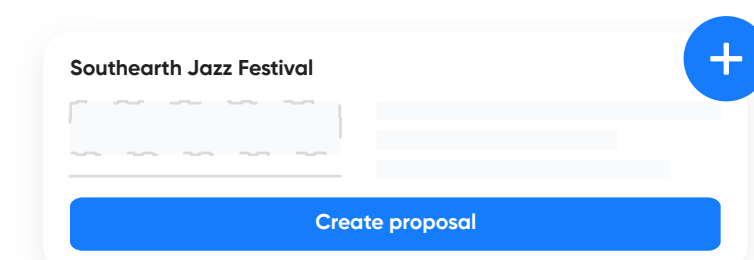

Time Tracking

Stay on top of the hours your team clocks in for a gig to manage payroll and remain compliant with local labor laws.

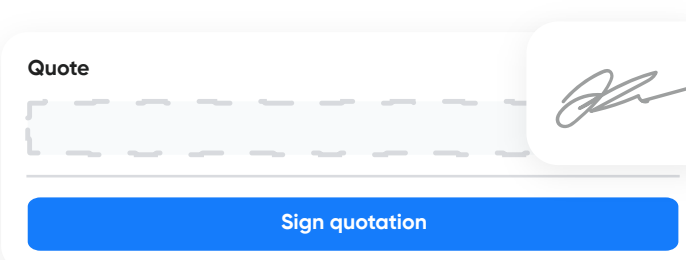

Add-on (Optional) (From €9 Power user / month)

Quoting and Invoicing

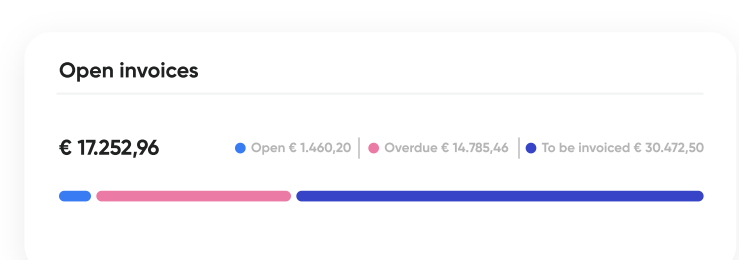

Create Proposals

Turn your event proposals into professional branded quotes you can send to your customers in next to no time.

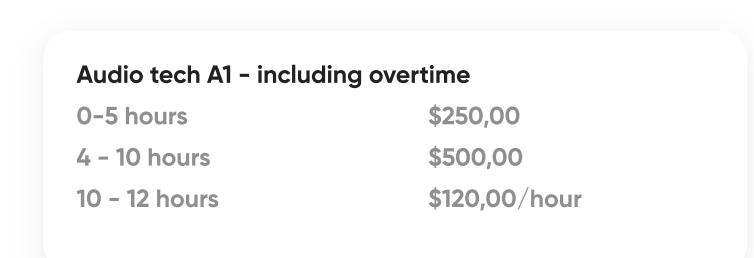

Digital Signage

Give your customers the option to electronically sign your proposals to save time and get the ball rolling with your team.

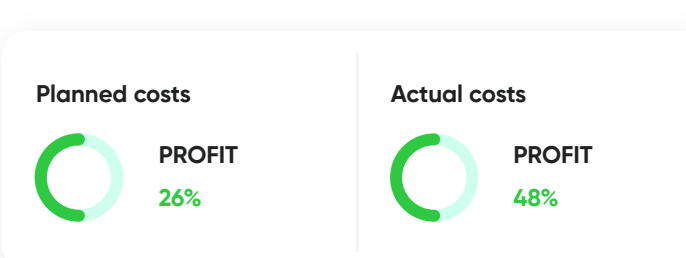

Manage Invoices

Handle payments and unpaid balances owed to you by your customers in one central platform.

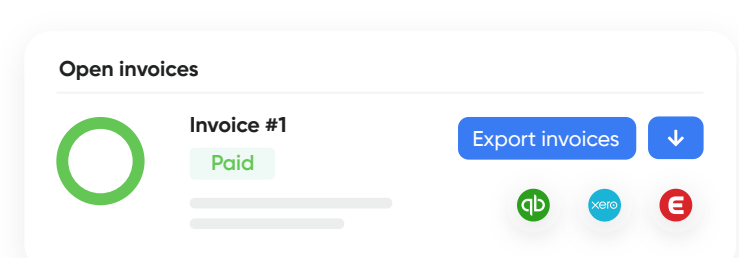

Crew Wage Calculator

Easily calculate overtime, night shifts, double-time and more.

Accurate Labor Costs

Calculate the exact cost of a job per team member to bill your customers the right amount per gig.

Accounting Integrations

Export your crew costs and financial data to your accounting software of choice with ease.

Testimonials

"With Rentman we are saving probably around 30 to 40% of our time that we can now invest into value-added areas that help us deliver higher quality events."

Andrew Latimer
Co-owner of Renegade Events

"Rentman is fantastic. We can't work without it."
